Notice on DORMANT/INACTIVE Accounts

Austin City Employees Credit Union strives to provide the best services possible to our members at a low cost. In order to provide these services, we must keep our costs to a minimum. Our goal is for our members to have active accounts so that we can continue to offer quality products and services at a low or no cost.

Effective January 1, 2019, Austin City Employees Credit Union will begin to charge a \$5.00/per month fee for Dormant/Inactive Accounts. An account is considered dormant/inactive when there has been no deposit, withdrawal or transfer on the account for a period of twelve (12) months, has a balance of \$100 or less, account owner is over age 18 and has no other credit union services such as: CD's, loans, or Visa credit card. Activity does not include dividends.

The fee will be deducted until the account becomes active or the account balance reaches a zero balance at which time the account will be closed.

To avoid this fee, simply start conducting financial transactions on your account at least once a year.
